JUNE NEWSLETTER.

Members,

Fourteen members attended the May meeting, plus 3 visitors, several items were wrongly reported in our last newsletter & set right as follows- Craft attending the Applecross raft up were Leprena, Kyprena, Morning Glory, Gumleaf, Corinthea & Delta - The Garden Island Event should have noted Brian & Liz were on board Morna with Dave & Coral, the crews of Morning Glory & Corinthea journeyed to Rockingham by road.

A Motion moved & seconded by B.Phillips & B.Axcell that Doris & Barry Hicks be invited to accept the title of Foundation Members which they have accepted with delight.

Name badges are now in our possession, supplied & organised for us by the efforts of Ken Harvey, these will be distributed at future meetings.

Trophies were presented to the winners of The Annual Race as per the results shown in last news.

Congratulations to Liz & Brian on their recent marriage.

We require a venue for a Winter outing, Mussel Pool is one suggestion, any others?

Thanks to the ladies for the snacks at the meeting this is good for club fellowship.

Should we conduct more than one sailing race per year? formally we competed both at the start & finish of the summer season. We do enjoy some good winter weather which is worth a thought.

Please note attached The Cruising Yacht Club Race agenda which is an open invitation to O.G.A.

SPECIAL NOTICE.

During discussion at our last meeting it is obvious that we lay down some directional guidelines in respect to our meeting procedure.

Firstly a preview- as President I have endeavoured to conduct meetings under the general rules of debate, minutes taken & a system introduced covering correspondence, newsletter, finance etc, also to promote public interest in the Old Gaffers' Association, our association with the Maritime Museum & our Yacht Clubs which has led to participation & involvement in events such as Tall Ships, First Fleet, Slopje Replica, from which many favourable letters & comments were received.

Mention of a constitution was made, this is impossible as it involves legal advise, & costwisd not to be considered.

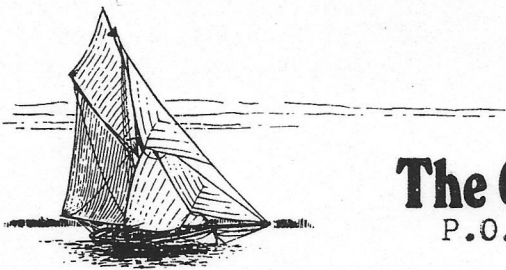

Articles of association as above to a lesser degree.

Rules would suffice for our small association & I offer the following-

1. Meeting conducted under Rules of Debate - motions moved seconded, members to speak for & against & votes taken.
2. Any matter which may be contentious or affect the O.G.A. or members require a notice of motion of 14 days before the meeting, or easier, notice placed at a meeting & to be dealt with at the following meeting - this would ensure that all members would be advised of details before it becomes a fait accomplie & further those who cannot attend often through other commitments will be up to date on club matters which is their right.
3. A Quorum be established - this is necessary otherwise a very small group could make decisions which may not please, will obviate any loading of meetings, quorum of 10, at present we have 26 financial members.
4. Voting-only financial members can vote. Visitors cannot vote or discuss matters under motion.
5. Visitors are welcome to our meetings.

Simple rules as above will ensure smooth approach to conducting the meeting & will overcome any confusion which may arise as whether we are an Association, Club, Society or whatever.

NEXT MEETING.

Please endeavour to attend as this will be a SPECIAL.
Venue is The Maritime Museum Annex in B.Shed, Victoria Quay,
Fremantle, Tuesday 4th July, 1989. at 7.30p.m.

Graeme Henderson will address us in presenting an idea
which could be of benefit to our association, you will then
be free to view the wonderful collection of boats.

Parking is adjacent to B Shed entry through Custom Gates
near Port Authority Building. There is usually a \$2.00 charge
to park, let attendant know you are O.G.A. as we are endeavouring
to get the fee waived, should you have to pay we will subsidise
\$1.00.

After Graeme has spoken we will discuss the items on the
Special Notice, if however, time does not allow we will arrange
a night for the following week.
