OCTOBER, 1992. NEWSLETTER.

Members,

Next race will be held on 8th November, Sunday at E.F.Y.C 1p.m. at the jetty, please try & join us, we need a good fleet & right now the competition is keen, you will note the close finish times on the attached race results, also the 1st & 2nd place by new members in B Fleet.

The Wooden & Classic Boat Show conducted over the weekend was a great success, a reasonable crowd attended Saturday, Sunday as expected attracted a large gathering of people with plenty of interesting displays to hold their attention.

Moored on the jetties were 100 craft which included Classic Boat Club Launches, O.G.A. Assoc, Cruising Yacht Club, plus 11 various craft on Hard Standing & 12 Exhibitions in the Marquee.

Trophy Plaques were presented as follows:-

Most attractive Launch	-	ATAMI.
" " Sail Boat	-	BRUNETTE.
Best Old Gaffer	-	ORIEL TI TU Close 2nd.
Most Attractive Open Boat	-	MR CURLY
Most Interesting Exhibit	-	MODEL STEAMSHIPS ASSCN.

All Craft were well presented & a credit to the owners.

O.G.A. Craft attending were Corinthia, Delta, Endeavour, Gumleaf, Chiquita, Karina, Southern Star, Bicton Belle, Amy Louise, Oriel, Ti-Tu, & Marie (Bunbury).

We were allocated our own jetty which was most convenient, although the wind was brisk & cold everyone indicated they were enjoying themselves. The plastic numbers you were given for the event must be returned to the association, so please hand them to Frank or Norma.

The O.G.A. display in the Marquee was successful, T.Shirts selling quite well as were the Yachting Magazines donated to us by Ron Howells, Eric O'Keefe & David Tierney, many thanks chaps (\$77.00 worth sold.)

The Sail past was scheduled for 4.00p.m. with the OGA Fleet leading, by this time the S.W. was piping in, which entailed beating into the headwind, all went well with the help of their engines.

Slipping Fees at South of Perth Yacht Club are as follows:-
 First 3 days \$16.50 per day.
 Next 3 days \$13.00 " " the latter 3 days
 require special permission from the Club.

These fees include up & down the slipway & Electric power, please contact either Doug Rickman or myself who as members can arrange the correct procedures with little delay, the club also prefers to this way of handling OGA slip use.

Old time Sailing Ship masters were always known to show great respect for 5 Capes referred to by them as CAPE STIFFS; these are

CAPE GUARDAFWI near Yeman.
 " HORN
 " OF GOOD HOPE
 " LEEUWIN
 " FAREWELL Greenland.

I am sure this info will be helpful.

We still have Med, Large & Ex. large T Shirts for sale & would appreciate all help in selling these as we have a considerable amount of money tied up here. Price \$6.50 each.

Next meeting will be at E.F.Y.C. on Monday, 7th December, 1992. at 7.30p.m.
