1993 SEPTEMBER NEWSLETTER.

Members,

Firstly we have not had a response to holding a race up river & have no alternative but to shelve this, we can not conduct a race on our own behalf as this would breach the W.A. Yachting Association Rules which could involve a fine, the W.A.Y.A. set all courses for racing which insures the various fleets do not round marks together & do not sail across each other in confined areas.

A further important point is that the O.G.A. to date has a good image around the river & we do not wish to tarnish this in any way.

Calendar for this coming season as follows*-

Sunday	October, 3rd	1993.	E.F.Y.C.
"	November, 7th	1993.	"
"	January, 9th	1994	"
"	February, 27th	"	"
"	March, 20th	"	"

Please record these dates.

the course for B Fleet will be adjusted which will avoid the TIDAL TUNNEL, chart enclosed with details of course.

I would like a volunteer to help the Start Crew, The main task is to advise the Starters names of craft, also help with hoisting pennants.

Regarding Endeavour Launching 10th December we will have details of our involvement shortly.

Frank Marchant.
