THE GAFFERS LOG. JULY, 1994.

Members,

Seven craft started in the race on Sunday 1st July at Mounts Bay Sailing Club, Roamarick, Sunbeam, Delta, Karina, Corinthia, Ti-Tu, Oriel, the breeze was very gentle & did not improve all day, an interesting sight was to note several M.B.S.C. small yachts after rounding Poplar Mark heading south under full sail fairly spanking along, with our craft pointing up in the same area & having a hard time doing so, eventually the event was deemed "No Race" most yachts returning under Power or tow line.

M.B.S.C. have made us very welcome even supplied Hot Pies & sausage rolls after finishing.

John Horley now has Ti-Tu sailing well, after the start he was overhauling four other OGA craft heading down river, stay with it John.

Next meeting will be at B. Shed STAWA Room 7.30p.m. Wednesday August 3rd, Video of OGA Race Southern England with commentary including description of Yachts, sent as gift to me from long standing friend in British OGA, also old film of Captain Windbag.

Classic & Wooden Boat Festival venue Royal Perth Annex, Challenger Harbour, Weekend 15th 16th October, exhibitors to be berthed by midday Saturday. Please ring us on 3840783 & leave message with Norma or myself whether you intend coming along, please note we need

Race Calendar for Mounts Bay Sailing Club Races.

Sunday 14/8/94 11.00 hours.

" 28/8/94 14.00 "

" 11/9/94 14.00 " Last Race.

The numbers on the mainsails were excellent not only did it add some character to the yachts, it also helped to promote our image to the spectators as they were in no doubt as to which craft were "Old Gaffers".
