

Albany

WOODEN BOAT SHOW

Saturday 1st July 2023

INVITATION

Hi guys

It's on AGAIN. We are again organising the wooden boat show to coincide with the Albany Maritime Festival – All at Sea the first Saturday of the July school holidays.

Can you come along and show off your boat?

This is what we have planned:

A display of wooden boats in the pens adjacent to the boat shed during the All at Sea activities on the Saturday morning.

A lunch time sail/motor past/race.

You are invited to come along, put your boat on display and join us for some fun.

The more boats we can put on show the better, so we would love to have you join us

If you would like more information and are considering attending could you please email me and I'll place your name on our "thinking about it" list and send through some details. If you know someone else with a wooden boat, don't hesitate to pass this on to them. This is not about shiny classic yachts but rather a celebration of the timber boats in Albany and the history and tradition that surround them.

Please feel free to contact me at any time

Many thanks

Darren Russell
