

SWAN RIVER RETRO YACHT SERIES

INVITATION

You are cordially invited to attend the

Award Presentation

For participants and supporters of the
S2024-2025 Swan River Retro Yacht Series

This will take place on

Sunday 4th May 2025

On the upper lawn at the RFBYC Main Clubhouse

The casual dining menu will be available to order from,
and the bar will be open for purchases.

This will coincide with, and follow on from, the Old Gaffers Association
of WA Regatta Presentation which begins at 16.30.

If the weather is inclement, we will relocate indoors.

We look forward to seeing you all there to share your experiences of the
24/25 series, catch up with your sailing friends, and say thanks to your
crew and all the volunteers who have supported
the boats on the water this past season.

Why not make a day of it and even enter the OGA Regatta held on that
Sunday to finish off the season? Details on RFBYC's website.

To assist with catering, we would be grateful if you could please
advise Andrew Bochenek (molarman08@bigpond.com),
preferably by Monday 28th April 2025, if you be available
to attend and how many of your crew will also be there.
