

Sail / Row Denmark

Saturday 27th and Monday 29th September

In conjunction with the Denmark Classic Boat Show, we are conducting social sailing/rowing trips on Saturday the 27th and Monday 29th of September.

On each day the plan is to launch boats and assemble at the Denmark Rivermouth boat ramp at 9.30am with the aim of being underway by 10am. Bring your morning tea and lunch. Also, if possible, please bring a radio.

We expect some boats will have places to take passengers. If you are at the river mouth by 9.30 we will endeavour to get you onto a boat.

The sailing route and lunch destination will be decided on the day to suit the weather but potential lunch spots are:

- Fish Trap Beach 3km east of the river mouth on the north shore.
- Pelican Bay Beach 6km to the south east on the Nullaki.
- Powley's Landing 5km to the south west on the Nullaki.

Please note that Wilson Inlet is a large body of water that can develop sizable waves in a breeze. The decision to participate is the skipper's responsibility.

WILSON INLET

Basic rules of the waterways

- Vessel Overtaking Another
- Power Vessels Meeting Head On
- Power Meeting Sailing Vessel
- Ships In Channels

Every overtaking vessel gives way (this includes sailing vessels)

Each vessel alters course to starboard on your starboard (right)

Power gives way to sail except when sailing vessel is overtaking

All vessels must keep clear of ships using or approaching the marked navigation channel strips

Scale: 0 0.5 1.0 Kilometers / 0 0.5 1.0 Nautical Miles

Orientation: NORTH

Not to be used for navigation

SOUTHERN OCEAN

Not to be used for navigation
