**OGA WA Casual Sail Day**  
**Sunday 08 February 2026**  
**Mosman Bay & Point Walter - 10:00 onwards**

We are planning a casual sail and picnic day launching from the Johnston St ramp (or Point Walter if you prefer), meeting up in Mosman Bay.

This is an ideal time of year (warm water) and location (deep water) for anyone that would like to undertake a practice capsizes under controlled conditions, before we gather for a casual sail and lunch together – perhaps a raft-up in Blackwall Reach?

We will make final plans for the day, on the day, as we gather, rig, and review weather and inclination – for those of you joining us from the “other side” we will advise our intentions by VHF Ch 72, or just sail over and chat to us.

Please let me know if you intend to join us, particularly if you want to practice a capsizes.
