

# **Casual Sail Day Thursday 1st October 2026**

A day on the water for all those interested in chasing away the cobwebs of winter now spring is here.

The plan is to launch from the Maylands Public Boat Ramp and sail to Heirisson Island and have lunch safely tucked into the Heirisson Island lagoon.

Arrive between 9.30 and 10.00am to rig and set off at 10.30. Link to launch place:

(<https://maps.app.goo.gl/NA62W3FRHBpUdH4c7>)

There is 6.8m clearance at Windan Bridge and 6.4m at Matagarup Bridge, so most yachts should have no trouble clearing those bridges.

Bring along lunch and snacks to enjoy on the way and once in the lagoon.

We expect the correct safety equipment to be carried on all boats and it is the skipper's decision to set off on the journey. VHF radios are advised to be carried to simplify communication between boats.

Advise Andrew Bochenek of your intention to participate.
